## About

Dr. Patricia Shaw, is a highly sought-after advocate for women, who speaks to the soul of a woman from her own personal struggles with low self-esteem, people pleasing, and not making herself a priority for His glory and Your Inspiration.

She delivers an in-your-face message to women who are burned out and overwhelmed, struggling to move forward in life and love. She inspires them with her compelling message to live confident in who they are, become clear about what they want, and stay committed until they get it.

Patricia's heart's desire is to lead women to the very heart of God so that they can possess God's promises and accomplish great things! Her willingness to be transparent in her testimony of conquering her own personal struggles has caused hundreds of thousands to connect with her through social media.

### EMPOWER

As an author, Patricia writes books to disturb and dismantle limited beliefs which keeps many women from getting what God wants them to have. She helps them get clear about what they want, be confident they can have it, and stay committed until they get it.

### IMPACT

As a speaker, Patricia shares her story to enlighten others that even though they may have made a wrong turn in life, regardless of their age, they have the potential to SOAR (Start Over Again Right) in life.

### TRANSFORM

As a coach, Patricia provides actionable tips, tools, and techniques to her clients they can use to up level their marriage, career, or dating relationship and watch it grow and glow.

### COMMUNITY DISTRICT WOMEN'S CONFERENCE

#### WHAT ARE YOU WEARING?

"Thank you Lady Patricia Shaw for an awesome word from God; I would recommend this woman of God for hurting women and women who do not know who they are, bad relationships and living with labels. Continue to allow God to use you for His Glory."

District Missionary Rella Joseph

### Our Girls Rock Too

#### Mirror Mirror On The Wall

"Mrs. Patricia, thank you for taking the time to come out and speak to all of us. We were very moved by your words...clap clap, bounce bounce. Our girls are very vocal and they loved your presentation and how engaging you were. Your encouraging words mean a lot to me."

Stacey K Grant, Founder/Director

Patricia addresses businesses, social groups, churches, women's groups, nonprofit organizations and schools. Her philosophy is that God has a specific plan for each individual's life and that they too can live their best life right now.

Patricia received her Chaplains license from CICA International Organization. As a result of the many lives she has impacted since 2016, the CICA International Organization honored Patricia with a Doctorate Degree in Philosophy.

Patricia is a graduate of the University of Phoenix with a Bachelor of Science in Human Services Management and became a Certified Professional Life Coach in December of 2015.
